Do you have a job that would impact your participation? Yes or No  
If “Yes” in what way:

Are you willing to change your hairstyle (cut or color)? Yes or No  
If “Yes,” are their limitations?

What role would you most like to have?

Are you willing to be in the chorus?

What do you think may be the main weakness you would have that might affect your participation in the musical?

What do you feel is your biggest strength? Think of what I might be looking for in a potential cast member.

Participant Support Statement I, as a participant in the Hutchinson Youth Theatre Association production, understand that in order for me to gain the most out of the musical theater experience, I must be a team player. Being at scheduled rehearsals will enable me to make the Musical the best it can be! I'm excited to be a part of the production!
